

WINTER EN PROVENCE

ROSÉ WINE OF PROVENCE

VARIETALS

Grenache - 50% ; Cinsault - 35% ; Syrah - 15%

FLAVORS

Rosé wine Winter en Provence has a light color, very pale. It's nose is expressive, with small notes of red fruits and mild citrus. It is a well-rounded rosé, light and fresh, with a delightful finish.

ALLIANCE FOOD - WINE

The rosé wine Winter en Provence perfectly accompanies dishes like foie gras and aperitif toasts. Such a wine is best served at a temperature of 8° to 10°C.

PACKAGING

Flûte Estela bottle
Palet of 45 cartons of 12 bottles
Bottle Bar code : 3334861003588

PREPARATION AND PRESENTATION OF WINE

The brand "Winter en Provence" was created by Vins Bréban in November 2016.

This cuvée is the fruit of the know-how of the house: the best blend of grape varieties from an estate located in the commune of Seillons la Sainte Baume.

The presentation of the wine is marked by the elegance of its bottle and by its box decorated in the spirit of winter.
