

CHATEAU DEFFENDS

ROSE WINE - AOP COTES DE PROVENCE

VARIETALS

Cinsault – 60%; Grenache - 40%

FLAVORS

CHATEAU DEFFENDS is a very fresh, well-balanced and delightfully harmonious wine. Pink in color, this wine possesses the complex nose typically associated with ripe red berries, cassis and small white flowers. It is quite expressive on the palate, as one might expect, and its flavors linger for a long time.

ALLIANCE FOOD - WINE

CHATEAU DEFFENDS rosé wine goes well with grilled fish and meals from white meat. It can also be appreciated as aperitif wine.

PREPARATION AND PRESENTATION OF WINE

CHATEAU DEFFENDS rosé wines are products of the AOP Côtes de Provence, the largest of the Provence appellations. Its geographic area encompasses 85 municipalities situated within three Mediterranean departments: VAR, Bouches-du-Rhone and Alpes-Maritimes. CHATEAU DEFFENDS rosé wines are originated in 30ha vineyard managed by the owner, Mr. Verges, who has been a winemaker and the vineyards' sole proprietor since 1999. This vineyard is located in the so-called “golden triangle”: Pierrefeu-du-Var - Carnoules - Cuers. The soils throughout the surrounding area are mainly made up of clay and limestone. For the elaboration of rosé wines, the grape composition consists of Grenache and Cinsault, and they are prepared by racking and fermentation at controlled temperatures. CHATEAU DEFFENDS rosé wines are produced following specifications established by the Vins Bréban company, exclusive agent for their marketing and distribution worldwide.
